ELWOOD

Power Flue Gas Heater

Designed for Australian needs, the Elwood inbuilt power flue heater has become a proven favourite. Clean and classic design with high efficiency and heat output. Neatly fits the cavity of existing gas space heaters. Ideal for replacement, renovations or new homes.

- Australian made & designed.
- Room sealed technology provides a safer and more efficient heating system.
- Easy Installation. Condensation hoses have been removed, no need to route or drill additional holes through external walls.
- The Elwood Gas Log Heater can be installed on an internal fabricated mock fireplace.
- Operates on natural gas or LPG.
- Flexible installation with horizontal or vertical flue options.
- Heats 80m² on average.
- Double glaze glass fascia.
- Electronic ignition and controls.
- 3 heat and fan speed settings.
- Realistic eucalypt look logs.
- Optional programmable remote control with timer and thermostat function.
- Available in black and platinum fascia.

Cannon Elwood Inbuilt Power Flue

Fig.1: Front View and Side View of Elwood

Gas type	Natural or Propane gas, as indicated on data label
Gas consumption	26.0 MJ/hr input
Energy output	6.2 kW / 22.32 MJ/hr
Energy star rating	5.0 stars
Heater type	Gas space heater approved to AS/NZS 5263.1.3
Operating pressure	Natural gas 0.75 kPa (High) / 0.40 kPa (Low) Propane gas 2.65kPa (High) / 1.1 kPa (Low)
Gas regulator	Integral part of controller
Min. inlet pressure	1.13 kPa (NG) 2.75 kPa (Propane)
Fan	3 speed
Ignition	Electronic direct spark
Power requirement	240V AC 10 Amp switch socket
Power consumption	90 VA maximum
Minimum cavity dimensions	Height 605 mm* Width 700 mm* Depth 538 mm*
Optional accessories	<ul style="list-style-type: none"> • Safety mesh guard • Remote thermostat • Spacer kit • 3 sided surround • 4 sided surround • Console kit • Extended flue kit • Weatherproof box
Overall dimensions	Refer to Fig 1

*For installation into a masonry/brick fireplace.
For installation specifications into a fabricated fireplace refer to the instruction manual located on our website.
